#### **4. Renewal fees now due**

Fees for renewal of memberships are now due. Those who are due to pay will have received an invoice from our Treasurer. We have a number of recent new members who will carry over their membership into the 2016/2017 financial year, so will not be receiving invoices. Our Treasurer would like to thank everyone who has paid their membership renewal so early.

#### **5. *Australian Lives* Book Launch**

The Australian Generations book *Australian Lives* was launched in Canberra recently. The event was attended by Member Marsali Mackinnon. Read her report [here](#).

#### **6. Indigenous Oral Histories Seminar**

In this seminar, you'll hear from Associate Professor Heidi Norman, who has expertise in conducting research about Aboriginal land rights, Dr. Dino Hodge, an activist and academic renowned for his explorations of Indigenous Australian queer histories, and archivist Kirsten Thorpe, who leads the Indigenous Services team at the State Library of NSW. The session will be chaired by Kate Waters – an experienced professional historian with expertise in ethical approaches to conducting oral history interviews with Aboriginal communities. If you're visiting Sydney at that time, this should be an interesting seminar. For details click [here](#).

#### **7. Oral History Basics Workshop**

Oral History Queensland ran an Oral History Basics Workshop on Sunday 25 June. All the attendees have very interesting projects which they're undertaking or are soon to undertake. It was amazing to meet these people and to see how oral history is being used so well to learn more about our history. See a report on the workshop [here](#).
